| **Discussion** | **II. Hybrid and Online Courses**  
Issue: Last year, CEP temporarily extended the following 2020-21 guidance through Winter Quarter 2022: undergraduate programs do not need to seek formal approval for existing in-person courses to be offered in a remote or hybrid mode due to COVID restrictions for in-person courses; SCOC will continue to consider proposals for online courses intended to be offered on a long-term basis. Proposed courses that use online tools to enhance the learning experience beyond that of an in-person course are more likely to be viewed favorably.  
Presented By: Chair Cocco
| **Action** | **III. Proposed Revisions to Systemwide Senate Regulation 478**  
Issue: Systemwide Academic Senate Chair Horwitz has forwarded for review proposed revisions to Senate Regulation 478. These revisions were proposed by the Board of Admissions and Relations with Schools (BOARS). The revision creates Intersegmental General Education Transfer Curriculum (IGETC) Area 7 – Ethnic Studies, an additional IGETC subject area that prospective California Community College (CCC) transfers can fulfill by completing an approved ethnic studies course. The revision also aligns UC with new state legislation requiring the California State University to include an Ethnic Studies course in their general education curriculum for a baccalaureate degree. CEP will submit comments to Cabinet.

Discussion/Action IV. Revised School of Population and Public Health Pre-Proposal

Issue: The Senate has received the revised pre-proposal to establish a School of Population and Public Health from Dr. Bernadette Boden-Albala, the Director of the Program in Public Health and Founding Dean of the planned School of Population and Public Health.

Presented By: Chair Cocco

Action: Members will be asked to volunteer to serve as lead reviewers and present at the November meeting.

Discussion/Action V. Follow-Up to Academic Program Reviews

Issue: The Academic Program Review Board has received follow-up responses for two Academic Program Reviews. These responses are as follows:

1. Year 4 follow-up for the School of Physical Sciences
2. Year 7 follow-up for the School of Arts

Members will be asked to volunteer to review the responses and lead discussion at the November CEP meeting.

Presented By: Chair Cocco
