MEETING
A regular meeting of the Irvine Divisional Senate Assembly was called to order by Chair James Steintrager at 3:32 pm on Thursday, January 30, 2020 in the Academic Senate Conference Room in Aldrich Hall 338.

1. Roll Call
Quorum was met. Members of the Administration and the University community were present. No members of the press were present.

2. Minutes
The Assembly voted 30-0-4 to approve the minutes from the December 5, 2019 Assembly meeting as distributed.

3. IBL – Proposed Modifications to Bylaw 127. Scholarly Honors and Awards, Committee on
Action: The Assembly voted 28-5-2 to approve the modifications.

The modifications to Bylaw 127 allow SHA to, in consultation with the Senate Chair, modify award names and add new awards without needing to update its bylaws each time. The modifications also allow for the Vice Provost of Teaching and Learning to send a representative other than the Vice Provost themselves as an ex officio member to SHA meetings.

4. Announcements by Chair James Steintrager
Chair Steintrager shared the Academic Council statement regarding the University’s negotiations with Unit 18 Lecturers. While the Senate normally does not comment on such negotiations, the Academic Council felt it was important to express support for fair and equitable living wages for Unit 18 Lecturers while making clear they are not members of the Senate and do not enjoy the same privileges of shared governance.

Chair Steintrager noted that the Standardized Testing Task Force would soon be releasing its preliminary report concerning the usage of standardized tests (SAT, ACT) in UC admissions. Relevant Senate Councils, especially CUARS, will review and comment on the report. Members expressed concern about how UCI utilizes outside firms in admissions. CUARS Chair Cohen-Cory clarified that the firm creates an algorithm that enrollment management utilizes, but that all applications are read by two readers hired by UCI and no outside firm ever reviews individual applications. Chair Steintrager encouraged members to read the report upon its release.

Chair Steintrager also noted the public comment period for the report of the Working Group on Comprehensive Access is now open through February 21, 2020. The Working Group was chaired by Chancellor Gillman and was asked to make recommendations on whether or how
UC affiliates with health care providers that have ethical and religious directives. The group was not able to come to an agreement about recommendations.

5. UC Presidential Search
Chair Steintrager reminded members that the online comment period for the UC Presidential search closes at 5pm on January 31. The Division will compile unfiltered comments and share them with the Academic Advisory Committee.

6. Announcements by Other Administrative Officers
None

7. Reports of Special Committees
None

8. UCI Brilliant Future Campaign Update
Vice Chancellor of University Advancement and Alumni Relations Brian Hervey updated members on the progress of the UCI Brilliant Future Campaign. UCI is changing how it approaches fundraising in hopes of creating “donors for life” and more effectively engaging alumni. Among the campaign’s goals is for every faculty and staff member, student, donor, and community member to identify and see themselves in the campaign. The goal is to raise $2 billion in private support and engage 75,000 alumni. To date, the campaign has raised $800 million and meaningfully engaged 30,000 alumni. Vice Chancellor Hervey encouraged members to be advocates for the campaign by working with their schools’ development officers, and sharing their success stories (e.g. grant awards) with communication officers.

9. Graduate Education at UCI
Vice Provost of Graduate Education Gillian Hayes and Director of Graduate Admissions & Academic Affairs Ruth Quinnan shared goals and updates from UCI Graduate Division. Currently, UCI is shifting toward a more student-centered model of graduate education that rewards excellent faculty mentoring. Vice Provost Hayes highlighted the Division’s academic counselors as a resource for students who need extra support, and informed faculty that they can require graduate students to meet with academic counselors in certain circumstances. She also noted that, among other goals, the Graduate Division is looking to offer more robust writing tutoring, expand efforts to recruit undergraduates from UC campuses to graduate programs, and increase funding for Dreamers and graduate student housing. The Chair of the Engineering FEC raised concerns about SSGPDPs that were noted by Chair Steintrager for further discussion.

Chapter III: Organization
Section 5: Standing Committees
Bylaw 127. Scholarly Honors and Awards, Committee on

A. Membership
The Committee on Scholarly Honors and Awards shall consist of five members of the Division with no more than one member from any Faculty. Consideration shall be given to previous recipients of the Academic Senate Faculty Awards and the UCI Medal for at least three positions on the Committee. The Vice Chancellor for Research and a representative from the Office of the Vice Provost for Teaching and Learning shall serve as ex officio members.

B. Duties
The duties of this Committee shall be:

1. Solicit candidates from the Irvine Division and select the recipients for the Academic Senate Faculty Awards. The Academic Senate members selected shall be designated the recipients for the subsequent academic year.
   a. Normally, there will be one award recipient in each award category unless there are two equally qualified nominees, in which case the Committee could select the two equally qualified nominees to receive the award and the amount of the award would be split between them.

2. Solicit candidates from the Irvine Division and nominate, for special appointment by the Chancellor, an Academic Senate member (or members) who shall be the designated recipient (or recipients) of the UCI Medal. Such medals shall be awarded at an appropriate campus event. There shall be no specific number of medals awarded each year nor is there a requirement that the medal be awarded every year.

3. Advise the Division on the appropriateness of scholarly honors and awards.

4. Seek diversity in the slate of Senate award nominees.

5. Establish additional Academic Senate Faculty Awards in consultation with the Senate Chair. Members will also solicit candidates and select recipients for any new awards, in addition to those currently in place.

The Proposal

☐ Title: Proposed Modifications to… or (if new) Proposed Bylaws for the…
Proposed Modifications to Bylaw 127. Scholarly Honors and Awards, Committee on

☐ Statement of rationale: Briefly explain why the proposed modifications are necessary to the existing legislation or organizational practice. Please include information on when the executive committee or governing body approved these modifications.

The Committee on Scholarly Honors and Awards is modifying Bylaw 127 in order to give SH&A the power to add additional awards to their purview, without needing to submit a formal bylaw change. The process to submit a bylaw change is a lengthy process that requires multiple levels of review. Instead of having to complete that process, SH&A is proposing that they have the power to create a new award, in consultation with the Senate Chair. Additionally, SH&A has decided to remove the listing of the awards in the bylaw itself so that a change to add an additional award, or to edit an existing award name, would not require a formal bylaw change. SH&A has instead proposed to keep all award names and the eligibility requirements as a procedural document that can be found on the Senate website and that will be circulated along with the Call for Nominations. Any changes made to these award names or requirements will require the Committee to vote in meeting. These bylaw changes will allow SH&A to move forward with editing some of the Senate Awards names and adding a new Senate Award, as requested by Senate Leadership. The Committee is also making some formatting changes to the structuring of the bylaw to match that of other Senate bylaws. Lastly, SH&A is proposing a change to the ex officio listed in the membership of the bylaw so that Office of the Vice Provost for Teaching and Learning can send any representative from their office to meetings, as opposed to specifically asking for the Dean of Undergraduate Education/Vice Provost for Teaching and Learning. This change came out of conversations with the Dean of Undergraduate Education who shared that another faculty member from the Office of the Vice Provost for Teaching and Learning would be better qualified to attend meeting and provide evaluations. SH&A agrees that the best-qualified representative should serve as the ex officio member.

☐ Proposed Language (bylaws): Attached.
Document format should be in Microsoft Word (Letter size with 1” margins), Times New Roman Font, Size 11 (please do not change font size within the document). If this a proposal for new bylaws, just include the original copy. Please submit all documents in Microsoft Word and not as a PDF.

Please attach two copies:

- One markup copy, indicating deletions by **strikeout type** and additions by *underscore type*.
- One clean copy with the proposed modifications already in place (no mark ups).

OLIVIER CIVELLI, CHAIR
COMMITTEE ON SCHOLARLY HONORS & AWARDS

RE: PROPOSED REVISIONS TO BYLAW 127- SCHOLARLY HONORS & AWARDS, COMMITTEE ON

At its meeting on January 30, 2020, the Irvine Divisional Senate Assembly approved the proposal to modify Irvine Bylaw 127. Both the Senate Cabinet and the Committee on Rules and Jurisdiction (CRJ) reviewed and approved the proposal, ensuring that the proposed language was precise and conformed to the Code of the Senate.

As per Bylaw 175, Section A, the effective date of legislation will be April 12, 2020, 30 calendar days after the distribution of the minutes of the meeting. The Senate Manual will be updated to reflect these changes at that time.

If you have any questions related to this action, please let me know.

Sincerely,

James Steintrager, Chair
Academic Senate, Irvine Division

Re: Academic Council Statement on the University’s Collective Bargaining Negotiations with “Unit 18” Lecturers

Dear Janet,

The Academic Council has endorsed the following Statement concerning “Unit 18” Lecturers:

In light of the ongoing negotiations between the University of California and the union representing Unit 18 lecturers, Academic Council wishes to affirm basic principles about the importance of fair, living wages for lecturers. Unit 18 lecturers are an important and valuable part of our university community, and their wages and working conditions bear directly on the quality of undergraduate instruction. Nonetheless, Unit 18 lecturers are not members of the Academic Senate; the hiring criteria, demands, roles, and responsibilities of their employment differs in many significant ways from Senate faculty. We urge the parties to work together to craft a solution that provides Unit 18 lecturers with equitable wages, dignity, and working conditions conducive to their role in our collective commitment to providing high quality undergraduate education.

Please do not hesitate to contact me if you have additional questions.

TODAY’S AGENDA

UCOP APC Graduate Education Workgroup

Responsible and Inclusive Growth
Each individual unit may look radically different.

PhD Growth to 12% by 2024:
- AAU Standing: Faculty to student ratio
- Rebenching requirements from UCOP
- Growth in research funding

**How do we define responsible growth?**

**How do we ensure the right quality (however defined) and quantity mix?**
We must target a broad audience to meet campus goals.

We are here to help.

We are looking for:

- excellent growth from all over
- who represent all of California and
- power the intellectual and economic engine of the state
RECRUITMENT

We must target a broad audience to meet campus goals

We are here to help

We will provide
- targeted advertising
- direct recruitment support (at fairs, by phone, and so on)
- workshops, summer programs, and other support for undergraduate students who might come to graduate programs
- hopefully even more diversity focused fellowships and support
- training on holistic admissions that is Prop 209 compliant
RETENTION

What do we do once they get here?

MENTORSHIP: We have made great strides, in large part due to the work of the people in this room.

SPACE: The Graduate & Postdoctoral Scholar Resource Center is a place for all
- Programming
- Potential for some drop-in office space

INCLUSION: Working with a variety of offices on campus to better support people with disabilities, families, URMs, and others who may have different needs than traditionally supported.

Trying to lift the burden of this work OFF the URM population as possible.
FINANCIAL NEEDS

Are our stipends attracting the best students? Are our stipends allowing access for ALL?

- Block allocation
- Supplemental support
- TA salary differential
- Fellowship funding levels
- Different “salaries” in different fields and programs
- Cost of Living: Recent UC-wide report indicates our stipends may be as much as $3400 per year too low when cost of living is factored in
